## Name places of interest in the locality

Write the names of as many places of interest as your group can think of. Look at Scoilnet Maps to see if they
have any information in the National Monuments Service
•
layer related to these places. Write notes below:
If there are any places of interest that didn't have
information on Scoilnet Maps, research these places using
the internet and take notes of your findings.

### Interview a person from the area

Write a list of questions to ask a person who lives nearby and knows about a place of interest in your locality. Compile the questions as a group and make sure to seek as much information as you can.
